May 2021

**United States Environmental Protection Agency
Region 4**

Administrative Record Index

The attached Administrative Record (“AR”) Index lists the documents, data and other technical information that the U.S. Environmental Protection Agency (EPA), Region 4 considered in preparing the renewal permit to cover the 1984 Hazardous and Solid Waste Amendments to the Resource Conservation and Recovery Act for the International Paper Company facility located in Wiggins, Mississippi. The facility is partly owned and operated by Baldwin Pole Mississippi, LLC.

The renewal permit is currently on public notice from 05/26/2021, through 07/12/2021.

The AR for this action, which includes the most pertinent documents used in the decision making process, is physically located at the U.S. EPA Region 4 office in Atlanta, Georgia and at the Mississippi Department of Environmental Quality (MDEQ) office in Jackson, Mississippi. The AR is also located in the local repository (i.e., Stone County Public Library) and the full AR can be found online at <https://semspub.epa.gov/src/collection/04/AR66823>. If you wish to view a document listed in the Index that cannot be found at the local repository or accessed online, please contact Maher Budeir at (404) 562-9514, or at budeir.maher@epa.gov.

The attached Index includes the following information for each record listed:

- **Document Type** - Each record in this Index is classified into general document categories (e.g., application, approval, response to comments, etc.).
- **Date** - Calendar date of the record. Records are organized by date from oldest to most recent.
- **Subject/Title** - A listing of the document title and/or a summary description of what is discussed in the record.
- **Author** - The person who created the document.
- **Author Affiliation** - The organization, agency or company where the author works.
- **Recipient** - The person who received the document.
- **Recipient Affiliation** - The organization, agency or company where the recipient works.
